# PRODUCTION

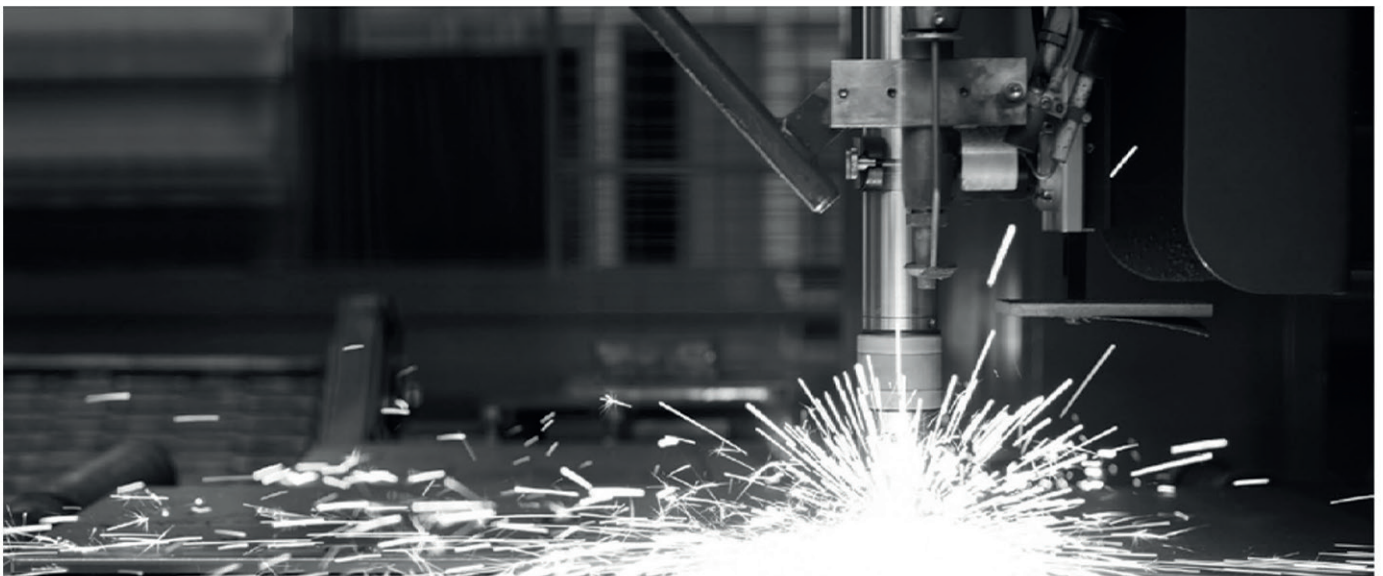

We prioritize excellence in every facet of faucet production. Our designs are meticulously tailored for contemporary living, blending functionality with aesthetic appeal seamlessly.

With a steadfast commitment to enhancing users' quality of life, we specialize in creating faucets that not only meet but exceed their expectations. Each product undergoes rigorous quality checks, ensuring that only the finest craftsmanship reaches our customers. From inception to the final quality inspection before packaging, our process is dedicated to delivering excellence.

Our mission is clear: to provide the highest quality faucets that enrich the daily lives of our users. Whether it's a sleek kitchen centerpiece or an elegant bathroom fixture, every faucet embodies our dedication to superior design and lasting reliability.

# PRODUCT ADVANTAGE

The production of faucets integrates intricate design processes with cutting-edge manufacturing technologies to produce high-quality water fixtures. Beginning with innovative design concepts, engineers meticulously develop faucets that blend durability with aesthetic appeal. Advanced materials such as stainless steel, brass, and ceramic are carefully selected for their longevity and performance in diverse environmental conditions. Manufacturing processes, including precision machining and automated assembly, ensure each faucet meets rigorous quality standards. Whether for residential kitchens or commercial bathrooms, modern faucets are engineered to deliver efficient water flow, ergonomic usability, and enduring reliability. This combination of craftsmanship and technology underscores the industry's commitment to enhancing both functionality and style in water delivery systems.

## Sensor Tap | Brass Chrome

### USR 303D

#### Sensor Basin Tap

- Brass chrome plated faucet body
- Microcomputer control
- AC power supply with DC backup
- SP-303-SE Sensor eye
- SP-348-SV Solenoid valve / Control box

### USR 303DE

#### Sensor Basin Tap

- Brass chrome plated faucet body
- Microcomputer control
- AC power supply with DC backup
- SP-303-SE Sensor eye
- SP-348-SV Solenoid valve / Control box

### USR 305D

#### Sensor Basin Tap

- Chrome plated cast faucet body
- Integrated sensor
- AC power supply with DC backup
- Pure copper solenoid valve
- SP-305-SE Sensor eye
- SP-348-SV Solenoid valve / Control box

### USR 307D

#### Sensor Basin Tap

- Copper chrome plated faucet body
- Microcomputer control
- AC power supply with DC backup
- SP-307-SE Sensor eye
- SP-348-SV Solenoid valve / Control box

### USR 401W

#### Sensor Wall Mounted Basin Tap

- Brass chrome plated faucet body
- Integrated sensor
- AC power supply with DC backup
- Pure copper solenoid valve
- SP-401-SE Sensor eye
- SP-348-SV Solenoid valve / Control box

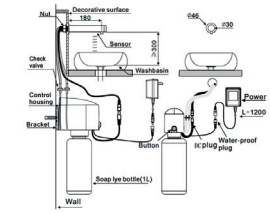

## Sensor Soap Dispenser | Brass Chrome

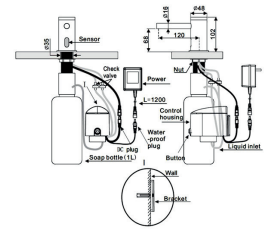

### USR 801W

Product : Wall Mounted Sensor Soap Dispenser  
 Capacity : 1000ml  
 Fixture connection : SP 801-SE Sensor eye / Control box  
 Power supply : AC power supply  
 Features : Foam or lye two way optional

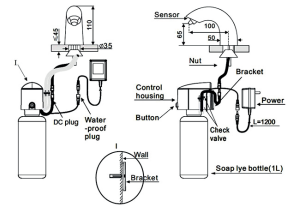

### USR 805D

Product : Sensor Soap Dispenser  
 Capacity : 1000ml  
 Fixture connection : SP 805-SE Sensor eye / Control box  
 Power supply : AC power supply  
 Features : Foam or lye two way optional

### USR 807D

Product : Sensor Soap Dispenser  
 Capacity : 1000ml  
 Fixture connection : SP 807-SE Sensor eye / Control box  
 Power supply : AC power supply  
 Features : Foam or lye two way optional

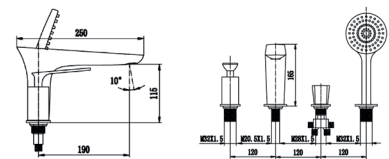

## Deck-Mounted Bath Mixer | Brass Chrome

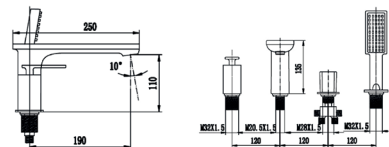

### BTM-204-CR

Product : Deck-mounted 4-Hole Bath Mixer With Diverter

### BTM-404-CR

Product : Deck-mounted 4-Hole Bath Mixer With Diverter

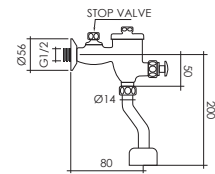

## Urinal Flush Valve | Brass Chrome

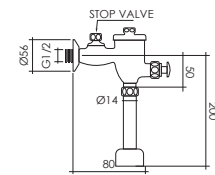

### UFV 200B

Product : Exposed urinal flush valve c/w rubber spud  
 Fixture connection : Bend pipe  
 Flush mode : Push button  
 Features : Self-closing technology

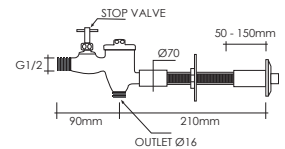

### UFV 200S

Product : Exposed urinal flush valve c/w rubber spud  
 Fixture connection : Flexible straight pipe  
 Flush mode : Push button  
 Features : Self-closing technology

### UFV 301

Product : Recessed manual urinal flush valve  
 Fixture connection : Duct type / without spud  
 Flush mode : Push button  
 Features : Self-closing technology

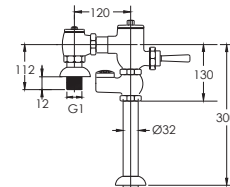

## WC Flush Valve | Brass Chrome

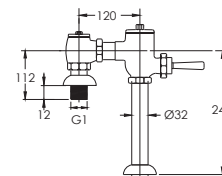

### UFV 350

Product : Exposed WC flush valve c/w vacuum breaker & flush pipe  
 Fixture connection : w/o spud  
 Flush mode : Single Flush  
 Features : Self-closing technology

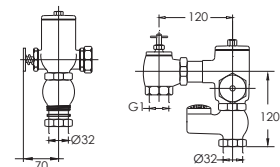

### UFV 350A

Product : Exposed WC flush valve c/w flush pipe  
 Fixture connection : w/o spud  
 Type of handle : Single Flush  
 Features : Self-closing technology

### UFV 401

Product : Recessed manual WC flush valve  
 Fixture connection : Duct type  
 Flush mode : Push button  
 Features : Self-closing technology

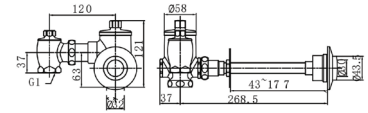

## Dual-Flush WC Flush Valve | Brass Chrome

### UFV 410D

Product	: Dual-Flush WC flush valve
Efficiency	: 2.5-3L half / 3-4L full flush
Flush mode	: Push button
Features	: Self-closing technology
Plumbing fixture	: Without vacuum breaker

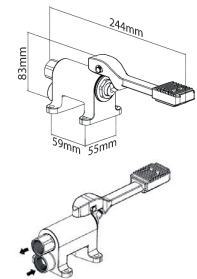

## Floor Mounted Foot Valve | Brass Chrome

### UTS 601

Product	: Floor Mounted Foot Valve (Self Closing)
Operation	: Water is released when the user pushes the pedal. Water stops when the pedal is released.
Pressure range	: 0.5 - 6.0 bar (1.0 - 3.0 recommended)

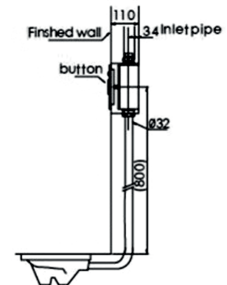

## Recessed Manual WC Flush Valve | Brass Chrome

### UFV 402C

Product	: Recessed manual WC flush valve with lock
Fixture connection	: Box type
Flush mode	: Push button
Features	: Self-closing technology

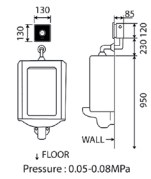

## Urinal Sensor Flush Valve | Brass Chrome | SUS304 S/Steel Mirror Frame

### USR 503S

Product : Urinal Sensor flush valve  
 Fixture connection : SP 503-SE Sensor eye / "L" pipe  
 Power supply : AC power supply with DC backup  
 Features : Perfect unity pure brass mechanical button and control button.

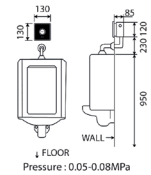

Materials : SUS304 S/Steel matt face plate

### USR 509S

Product : Urinal Sensor flush valve  
 Fixture connection : SP 509-SE Sensor eye / "L" pipe  
 Power supply : AC power supply  
 Features : LED light, Concealed integration sensor, prevent vandal

Materials : SUS304 S/Steel matt face plate

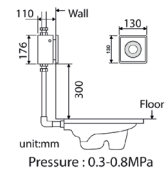

## WC Sensor Flush Valve | Brass Chrome | SUS304 S/Steel Mirror Frame

### USR 603S

Product : WC Sensor flush valve  
 Fixture connection : SP 603-SE Sensor eye  
 Power supply : AC power supply with DC backup  
 Features : Perfect unity pure brass mechanical button and control button.

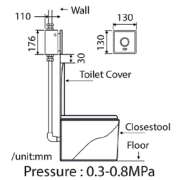

Materials : SUS304 S/Steel matt face plate

### USR 609S

Product : WC Sensor flush valve  
 Fixture connection : SP 609-SE Sensor eye  
 Power supply : AC power supply  
 Features : LED light / concealed integration sensor / prevent vandal

Materials : SUS304 S/Steel matt face plate

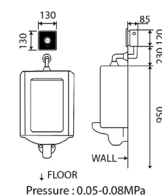

## Urinal Sensor Flush Valve | Brass Chrome | Tempered Glass Face Plate

### USR 503G

Product : Urinal Sensor flush valve  
 Fixture connection : SP 503-SE Sensor eye / "L" pipe  
 Power supply : AC power supply  
 Features : Perfect unity pure brass mechanical button and control button / concealed integration sensor / prevent vandal

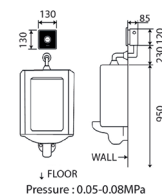

Materials : Black tempered glass face plate  
 Remarks : Project Only

### USR 506G

Product : Urinal Sensor flush valve  
 Fixture connection : SP 506-SE Sensor eye / "L" pipe  
 Power supply : AC power supply  
 Features : LED dynamic display logo / pure copper solenoid valve / integrated sensor

Materials : Black tempered glass face plate  
 Remarks : Project Only

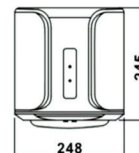

## Automatic Sensing Hand Dryer

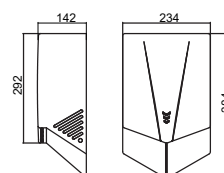

### UHD 1000

Product : Automatic Sensing Hand Dryer  
 Size : W248 x H245 x D178mm  
 Voltage : 220-240V / 50Hz - 60Hz  
 Power Capacity : 1100W  
 Air speed : 105 m/s  
 Materials : ABS casing white colour coating

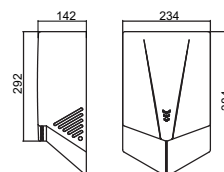

### UHD 2000SV

Product : Automatic Sensing Hand Dryer  
 Size : W234 x H384 x D142mm  
 Voltage : 220-240V / 50Hz - 60Hz  
 Power Capacity : 1300W  
 Air speed : 150 m/s  
 Materials : ABS casing silver colour coating

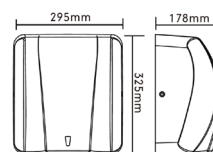

### UHD 2000W

Product : Automatic Sensing Hand Dryer  
 Size : W234 x H384 x D142mm  
 Voltage : 220-240V / 50Hz - 60Hz  
 Power Capacity : 1300W  
 Air speed : 150 m/s  
 Materials : ABS casing white colour coating

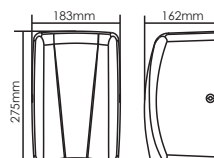

### UHD 6000

Product : Automatic Sensing Hand Dryer  
 Size : W295 x H325 x D178mm  
 Voltage : 220-240V / 50Hz - 60Hz  
 Power Capacity : 1800W  
 Air speed : 115 m/s  
 Materials : Brushed SUS304 stainless steel casing

### UHD 6100

Product : Automatic Sensing Hand Dryer  
 Size : W183 x H275 x D162mm  
 Voltage : 220-240V / 50Hz - 60Hz  
 Power Capacity : 1000W  
 Air speed : 110 m/s  
 Materials : Brushed SUS304 stainless steel casing

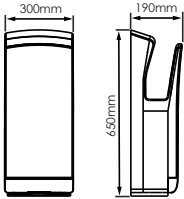

**Automatic Sensing Hand Dryer**

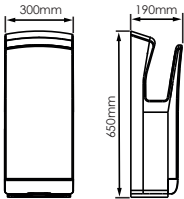

**UHD 8000SV**

- Product : Automatic Sensing Double Jet Hand Dryer
- Size : W300 x H650 x D190mm
- Voltage : 220V / 50Hz - 60Hz
- Power Capacity : 800-850W
- Air speed : 95 m/s
- Features : With hepa filter / brushless motor
- Materials : High grade ABS silver colour coating

**UHD 8000W**

- Product : Automatic Sensing Double Jet Hand Dryer
- Size : W300 x H650 x D190mm
- Voltage : 220V / 50Hz - 60Hz
- Power Capacity : 800-850W
- Air speed : 95 m/s
- Features : With hepa filter / brushless motor
- Materials : High grade ABS white colour coating

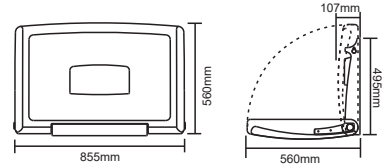

## Baby Changing Station

### UBC 100W

Product : Baby Changing Station  
 Open Size : W855 x H650 x D496mm  
 Close Size : W855 x H650 x D107mm  
 Materials : High grade HDPE  
 Color : Cream White  
 Maximum Load : 20kg

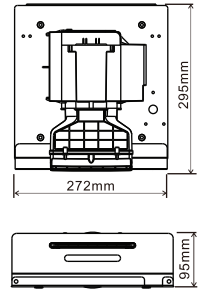

## Concealed Automatic Sensing Hand Dryer

### UHD 9000C

Product : Concealed Automatic Sensing Hand Dryer  
 (Behind Wall For Public Washroom)  
 Size : W272 x H295 x D95mm  
 Materials : Aluminium Base + High Grade ABS  
 Voltage : 220-240V / 50Hz - 60Hz  
 Power Capacity : 400-950W  
 Air Speed : 95m/s
